

## **POLICY FOR PERFORMANCE EVALUATION OF THE BOARD AND SENIOR EXECUTIVES**

The process for conducting the Board's annual performance review was agreed by the Board and consists of the Chairman or nominated Director obtaining feedback from each of the Directors. The feedback covers matters, including:

- the Board's contribution to developing strategy and policy;
- interaction between the Board and management and between Board members;
- the Board's processes to monitor business performance and compliance, control risk and evaluate management;
- Board composition and structure; and
- the operation of the Board, including the conduct of Board meetings, Board committee meetings and group behaviours.

The Board, via the Remuneration and Nomination Committee, oversees the review of the performance of the Managing Director and key executives.
